

**FEEL
UNSTOPPABLE**

Dear Parent/Guardian,

Your son/daughter has shown an interest in taking part in NCS (National Citizen Service) this summer following a session we held recently at **Wilmslow**. The leaflet in this pack tells you more about NCS and how your teen can benefit from taking part.

NCS takes place over the summer holidays and runs for 4 consecutive weeks. More than 500,000 young people have taken part so far, giving them valuable life skills and unforgettable experiences. We have a range of dates available for you to choose from. It costs **£50** to take part, or **£20** if you are eligible for our bursary fee. The programme is backed by the government; which invests **£1,500** per place

NCS is delivered in your area by one of our partner organisations: Youth Federation
