

Coronavirus - Form time message (28/02/20)

- You will have heard a lot in the media at present about the Coronavirus
- We are therefore sharing with you the key messages from Public Health England (the experts on health advice in this country)
- If you have any questions about this information you can follow them up with your form tutor or any of the Student Services staff
- We will provide you with further updates if and when we need to

Coronavirus information and guidance

- It can cause flu-like symptoms, including fever, cough & difficulty breathing
- The infection is not serious for most people, including children
- The current chance of being in contact with the virus is currently low in the UK
- Follow basic hygiene practices, such as **regularly washing hands, using the hand sanitising gels that are in the dispensers located around school and always sneezing into a tissue**, to stem the spread of any possible viruses
- **Catch it** with a tissue – **Bin it** – **Kill it** by washing your hands with soap (for at least 20 seconds)
