

The Three Rs of Revision

www.internetgeography.net/revision

Refine it

Make sure you have an overview of the full course so you know what to revise.

Based on past assessments identify the areas you need to focus on. Use a PLC.

Plan what you will revise and when. Spread out study over time. Create a calendar.

DON'T leave it until the last minute, plan to cover only areas you like and make your plan unrealistic.

Revis(e)it

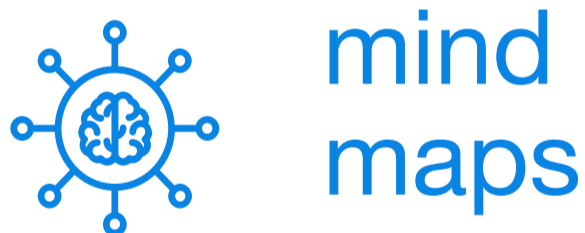

Combine text and images.

Question on the front, answer on the back.

Condense text to a sentence then key words.

Spider diagram with images and text.

Write as much as you can on a blank page.

Five minutes per chunk. Write...

DON'T copy text, highlight text, underline text and re-read text

Review it

Test yourself using flash cards.

Complete multiple choice quizzes.

Complete past exam questions and papers.
