

HARRIS HOUSE CUP ATHLETICS!

SUMMER 2021

This year's sports day has been run during lesson time as a Harris House Cup Athletics competition. It has been an inclusive event with all students taking part in at least two events each lesson. There have been some consistent performances from our well-known athletes as well as some pleasant surprises from secret superstars! Due to isolation some results are missing, however, I think you would all agree that the following results are extremely impressive.

A huge congratulations to everyone for taking part!
