PARENT CARER WORKSHOP

Supporting children with relationships

Visyon's Family and Community Wellbeing Team are pleased to offer a **90-minute Parent Carer Workshop**. This workshop offers ideas on how to talk to children about their relationships with other children and adults in their lives. It looks at what is acceptable behaviour within a relationship and considers how behaviours may become harmful. It offers support on how to approach abuse within a relationship and where to get further specialist support.

This workshop is available to families in **Cheshire East** and will be held at Visyon in Congleton for **face-to-face** delivery.

If you would like to book a place on the Workshop, please contact the FamiliesandCommunitiesTeam@visyon.org.uk, who will contact you with further details. Places are limited and will be allocated on a first come basis.
