

Summertime

*Rooms bathed in sunlight rays,
Early sunrise, Longer days,
Radiant scenes, Skies are bright,
Faces glow in golden light.*

*Shining down is the blazing sun,
Parasols up, Summer festival fun,
Barbecues on, Drinks are chilled,
In hot weather our hearts fulfilled.*

*Ice cream stall with flavours galore,
Family vacation, Hours outdoors,
Beach loungers, Refreshing breeze,
Relaxing waves in calm blue seas.*

*Warmth from sun that beams sublime,
Picnic blankets, Al fresco time,
Flowers blooming, butterflies away,
Enjoy the peak of natures display.*
